BLITZ DAY... Unplugged!

Luke 14 Banquet

Then Jesus said to his host, "when you give a feast, do not invite your friends...but invite the poor, the crippled, the lame, the blind and you will be blessed."

Our feast was a jungle themed party hosted by Reverend Dennis Goodwin & Haymount UMC! From the energetic music of Giles Blankenship and his rockin' crew of musicians to the churches who sponsored the fantastic animal themed tables... everything was top shelf for our distinguished guests!

Non Profits...A New Kind Of Neighborhood

This year Blitz Day, our annual gift of compassion ministry, focused on the nonprofits who serve the ever growing needs of our city. Each day these ministries & agencies pour out their love & service to so many and rarely receive that personal touch themselves. But this year, they became the recipients of repairs and beautification of their grounds & buildings.

The thank you notes and phone calls from Directors to Board Members of these nonprofits has affirmed our decision to choose them as our '2013 Neighborhood'.

Mission Purpose

Operation Inasmuch is designed by God to grow and make its home in any church or heart where Jesus Christ is Lord. Our purpose is to go outside the church walls to a world in need, offering the talents and gifts with which we have been blessed. We believe that God has called us to be His hands and feet as we share His love with 'the least of these'.

We are pleased to introduce our newest Inasmuch Staff member! Jodie has a BA in English & a BS in Communications from ECU.

When her **Pastor, Wayne Tate of Manna Church**, introduced her to Sue Byrd at the ROC ministry event, Inasmuch moved to the top of the list of non-profits where she could serve. After a few visits to Inasmuch, it was clear to us that her warm smile, enthusiastic attitude and love for God's people made her a perfect fit for us. How exciting it is to add energetic young people to our team!

A Christmas to Remember...Remembers Us Again!

To receive this gift from **Haymount United Methodist Church** once was truly remarkable but to again be honored with this generous donation validates the work we do in a powerful way. Not a week goes by that we don't make full use of our fabulous computer lab, funded by this offering in 2009.

This year the funds have been earmarked for housing. We have purchased a new lot on Frink street with construction beginning in Summer 2013. We are

dedicated to continuing our vision for the Frink Street Transformation. In August 2013, Inasmuch will complete the fourth year of serving a hot nourishing breakfast and this ministry is making a positive change. But we are ever mindful that affordable and safe housing is the ultimate need for our homeless and struggling family. Heartfelt thanks to **Haymount United Methodist Church's** visionary congregation for selecting FAOIAM as one of the recipients of this annual offering.
