**Summer 2016**

Inasmuch as you did it for the least of these, you did it for me. - *Jesus*

## **Dedicating A Roof, A Bed & A Chance!**

People from across this community gathered to give thanks and celebrate the joy of God's will being done! Wednesday, August 17<sup>th</sup>, 2016 was His answer to years of prayers and petition rising up from thousands of voices.

With nine years of generous and faithful support from this community, our breakfast program has helped provide the basic humanitarian needs of food and acceptance. But, without a safe place to lay their heads at night, there is little hope for an escape from the vicious cycle of homelessness which plagues many in our family. The critical need for a place where homeless men can rebuild their lives is undeniable. We are thrilled to see the construction of **The Lodge** well underway. We're hoping there'll be a Christmas Miracle with men gathered around a decorated tree on Christmas morning!

This 40 bed humanitarian shelter will be dedicated to serving homeless men through programs where they will be trained to re-enter the work-force, drug free, sober and with a new skill set of value to employers.

It's been said the most rewarding victories stem from the most difficult battles... So, we will continue to fight for homeless men as they fulfill God's promise of a life with purpose.

### Vision Statement

To walk among the broken and struggling,  
being the hands and feet of Jesus.

### Mission Purpose

Operation Inasmuch is designed by God to grow and make its home in any church or heart where Jesus Christ is Lord.  
Our purpose is to go outside the church walls to a world in need, offering the talents and gifts with which we have been  
blessed. We believe that God has called us to be His hands and feet as we share His love with 'the least of these'.

*...and the dust returns to the ground it came from and the spirit returns to God who gave it, Ecclesiastes 12:7*

On Sunday August 28th, a small group of friends returned the ashes of Wolfgang Joppich to the holy ground on which The Lodge will stand. Amidst prayers, song and tears we remembered this kind and gentle man who touched our hearts and will now and forever be at the threshold of a place where men have a chance to begin their lives anew.

Every Wednesday after breakfast, our homeless family has the opportunity to receive basic triage care and medical assessments. Alternating teams of medical students, retired physicians, medical professionals and active members of the medical community volunteer their time and talents. Most of our family do not have insurance and use the Emergency Room for non-emergency care.

This excellent program has intervened in several medical situations that were indeed emergencies! They also provide prescriptions, OTC medications, care and monitoring of non emergency matters.

**We'd like to acknowledge and thank these loyal volunteers who bring years of professional training and experience to serve our Inasmuch family!**
